

**QUALITY IN ENDOSCOPY**

**UPPER GI ENDOSCOPY  
& NEOPLASIA**

Lisbon, Portugal April 19 - 20, 2013

[www.quality-in-endoscopy.org](http://www.quality-in-endoscopy.org)

Dear Colleagues

We are delighted to announce the next **Quality in Endoscopy** symposium with the topic **Upper GI endoscopy & neoplasia**. Together, the **European Society of Gastrointestinal Endoscopy (ESGE)** and the **European Society of Digestive Oncology (ESDO)** look forward to joining forces to make this a memorable event.

Leaders in this field alongside more junior colleagues will expound on state-of-the-art and future trends in upper GI endoscopy and the detection, staging and treatment of upper gastrointestinal neoplasia through lectures, case discussion, lively debates, and social networking. Participants, who are largely from the younger generation, will benefit from the highly communicative teaching with a strong, dedicated faculty.

Authors of **top accepted abstracts** aged 40 years or under will receive a travel grant (€ 500) and waived registration fee. All other authors of accepted abstracts for poster presentation will be offered the reduced early bird registration fee.

We look forward to welcoming you to Lisbon!

## SOCIAL EVENTS

**WELCOME RECEPTION:** Friday, April 19, 2013 at 5.40 pm

All participants are warmly invited to the welcome reception taking place at SANA Lisboa Hotel on Friday directly following the symposium. Drinks will be served and the reception will give everyone the opportunity to network with old and new colleagues!

**SYMPOSIUM DINNER WITH THE FACULTY:** Friday, April 19, 2013 at 8.00 pm

Join us for dinner at Tágide! Faculty and fellow participants will gather together for a relaxed evening at Lisbon's most prestigious restaurant. Tágide is situated in the heart of Chiado and boasts one of the most amazing views over the old quarter of the city. Delicious Portuguese based cuisine is offered with international influence. Please select the dinner option when registering for the meeting.

Restaurante Tágide, Largo da Academia Nacional de Belas Artes 18 e 20  
Chiado, 1200-05 Lisboa, Portugal

## ABSTRACTS

The Scientific Committee is happy to invite young endoscopists to share their research and/or remarkable cases on this subject with other meeting participants. We will therefore have continuous poster presentation during Friday and Saturday. With these poster presentations, we would like to provide young endoscopists a platform to discuss their work with colleagues.

Authors of top accepted posters aged 40 years or under will receive a travel grant (€ 500) and waived registration fee. One author per accepted abstract for poster presentation will be offered the reduced early bird registration fee.

Submission deadline: **Friday, February 1, 2013.**

## CASE PRESENTATION

Case presentations are an integral part of Quality in Endoscopy symposia and have proven a great success. We would like to encourage young endoscopists to submit interesting case presentations. Up to ten presentations will be selected for inclusion in the programme. They will be presented by the faculty together with the successful submitter.

Successful submissions will be presented by the author together with the respective speaker of the selected session. One author per selected case presentation will receive a reduced registration fee of € 180.

Submission deadline: **Friday, February 15, 2013.**
